
Notice of work: Central City Transport Projects – End of year status – Durham Street

Downer is closing multiple work sites temporarily for a short seasonal break.

What Fencing will be removed or reduced as much as possible, and all work sites will be tidied up and made safe.

Where Durham Street, between Kilmore Street and Tuam Street.

When From Friday 22 December 2017 until Monday 8 January 2018.

We are closing our work sites for the summer break.

All work sites will be tidied up, made safe and fencing reduced or removed as much as possible.

Please note: in mid-January a night time road closure will be in place for up to five nights to complete final sealing work.

More information will be provided when details are confirmed.

Parts of Durham Street are already complete and a modern two-laned, tree-lined road is emerging beside the beautiful Avon River. Soon a new two-way section between Lichfield and Tuam Streets will be created, facilitating easy access to central city multi-storey car parking.

Mature trees, shady footpaths and cycle lanes, together with new street furniture, landscaping and rain gardens enhance the streetscape and complement the slower speed environment of the central city.

Downer is taking a short break over the holiday period.
Our worksites close on **22 December** and re-open on **8 January 2018**.
We send you warm wishes for a joyful holiday this summer.

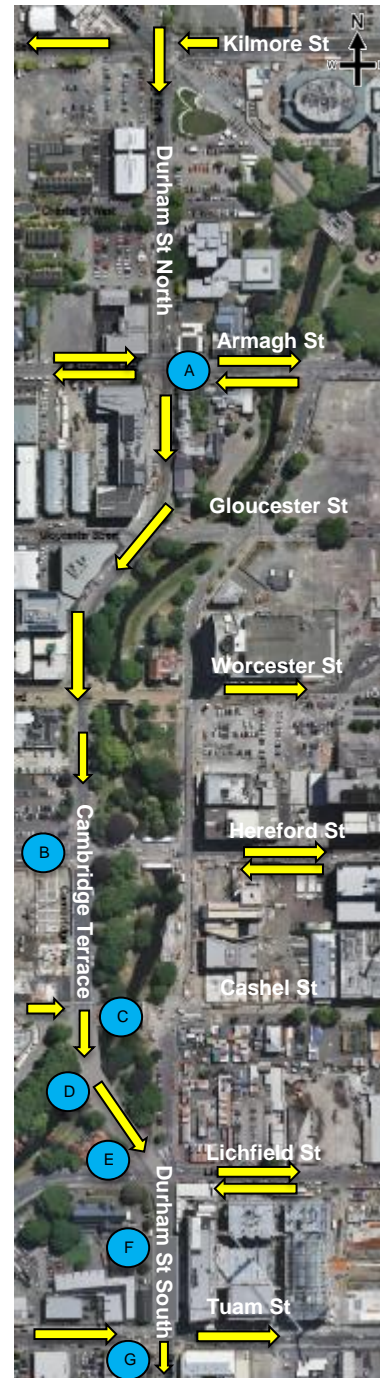

DESCRIPTION OF UPCOMING WORK (POST-HOLIDAY)

- A – Installing new paving and channel to complement existing heritage kerbstones.
- B – Installing new kerb and channel, storm water drainage lines, tree pits and rain gardens.
- C – Potholing and installing new kerb and channel.
- D – Installing new kerb and channel and traffic signals for pedestrian crossing.
- E – Installing new kerb and channel and traffic signals for pedestrian crossing.
- F – Installing new kerb and channel, and digging up and resurfacing the road in preparation for the new two-way section of road.
- G – Digging out and repairing the south-west corner of the intersection and installing new kerb and channel and rain gardens.

If you have any work site related issues over the holiday period please call Christchurch City Council on 03-941 8999.
