

# Work notice:

## Central City Transport Projects

### Hospital intersection night works

**What** Resealing the intersection outside the Christchurch Hospital over **five nights**.

**Where** Riccarton Avenue, Hagley Avenue, and Tuam Street.

**When** From 8pm—6am over five nights from Monday 1 April 2019 until Monday 8 April.

#### MAP

Source: OpenStreetMap.

#### TRAFFIC IMPACTS

The lane closures will shift each night to allow us to work on different sections of the road. Please see details over page. All road closures will be removed by 6am each day.

Emergency vehicles will be allowed access through the work site if necessary.

Traffic signage will detour non-emergency drivers around road closures.

If you need to see a traffic management plan for the five nights contact the Downer team on 0272040424.

## TRAFFIC IMPACTS—DAY BY DAY

### Monday 1 April

There will be no access to Oxford Terrace and Tuam Street from Hagley Avenue. Follow the detour from Hagley Avenue.

There will be no right turn into Hagley Avenue from Riccarton Avenue. Cars will be detoured to Durham Street.

### Tuesday 2 April

There will be a lane reduction on Hagley Avenue for cars turning left onto Riccarton Avenue.

### Wednesday 3 April

There will be no access to Oxford Terrace and Tuam Street from Hagley Avenue. Follow the detour from Hagley Avenue.

There will be no right turn into Hagley Avenue from Riccarton Avenue. Cars will be detoured to Durham Street.

Lane reductions will be in place on Riccarton and Hagley Avenues.

### Thursday 4 April

There will be a lane reduction on Riccarton Avenue.

### Sunday 7 April

There will be no right turn into Hagley Avenue from Riccarton Avenue. Cars will be detoured to Durham Street.

**If work is delayed due to weather it will be rescheduled to the next available date.**

## HOSPITAL ACCESS

Access to the Hospital via Hagley and Riccarton Avenues will be maintained at all times.

**Questions?** Contact the Downer team on 0272040424.
