
Notice of work:

Central City Transport Projects – End of year status - Manchester Street

Downer is closing multiple work sites temporarily for a short seasonal break.

What

Fencing will be removed or reduced as much as possible, and all work sites will be tidied up and made safe.

Where

Manchester Street, between Kilmore Street and Lichfield Street.

When

From Friday 22 December 2017 until Monday 8 January 2018.

We are closing our work sites for the summer break.

The current one-way systems will remain in place, and all work sites will be tidied up, made safe and fencing reduced or removed as much as possible.

Parts of Manchester Street were finished earlier this year and a widened, tree-lined boulevard is emerging. It has a spacious shared path for cyclists and pedestrians on its eastern side, next to the newly opened Rauroa Park (East Frame).

Part of the recently completed road surface on Manchester Street.
